

A modern black floor lamp with a curved arm and a cylindrical shade, illuminated against a white brick wall. The lamp is positioned on the left side of the frame, with its base on a light-colored floor. The shade is lit from within, casting a warm glow. The background is a white brick wall with some visible texture and shadows.

## About Us

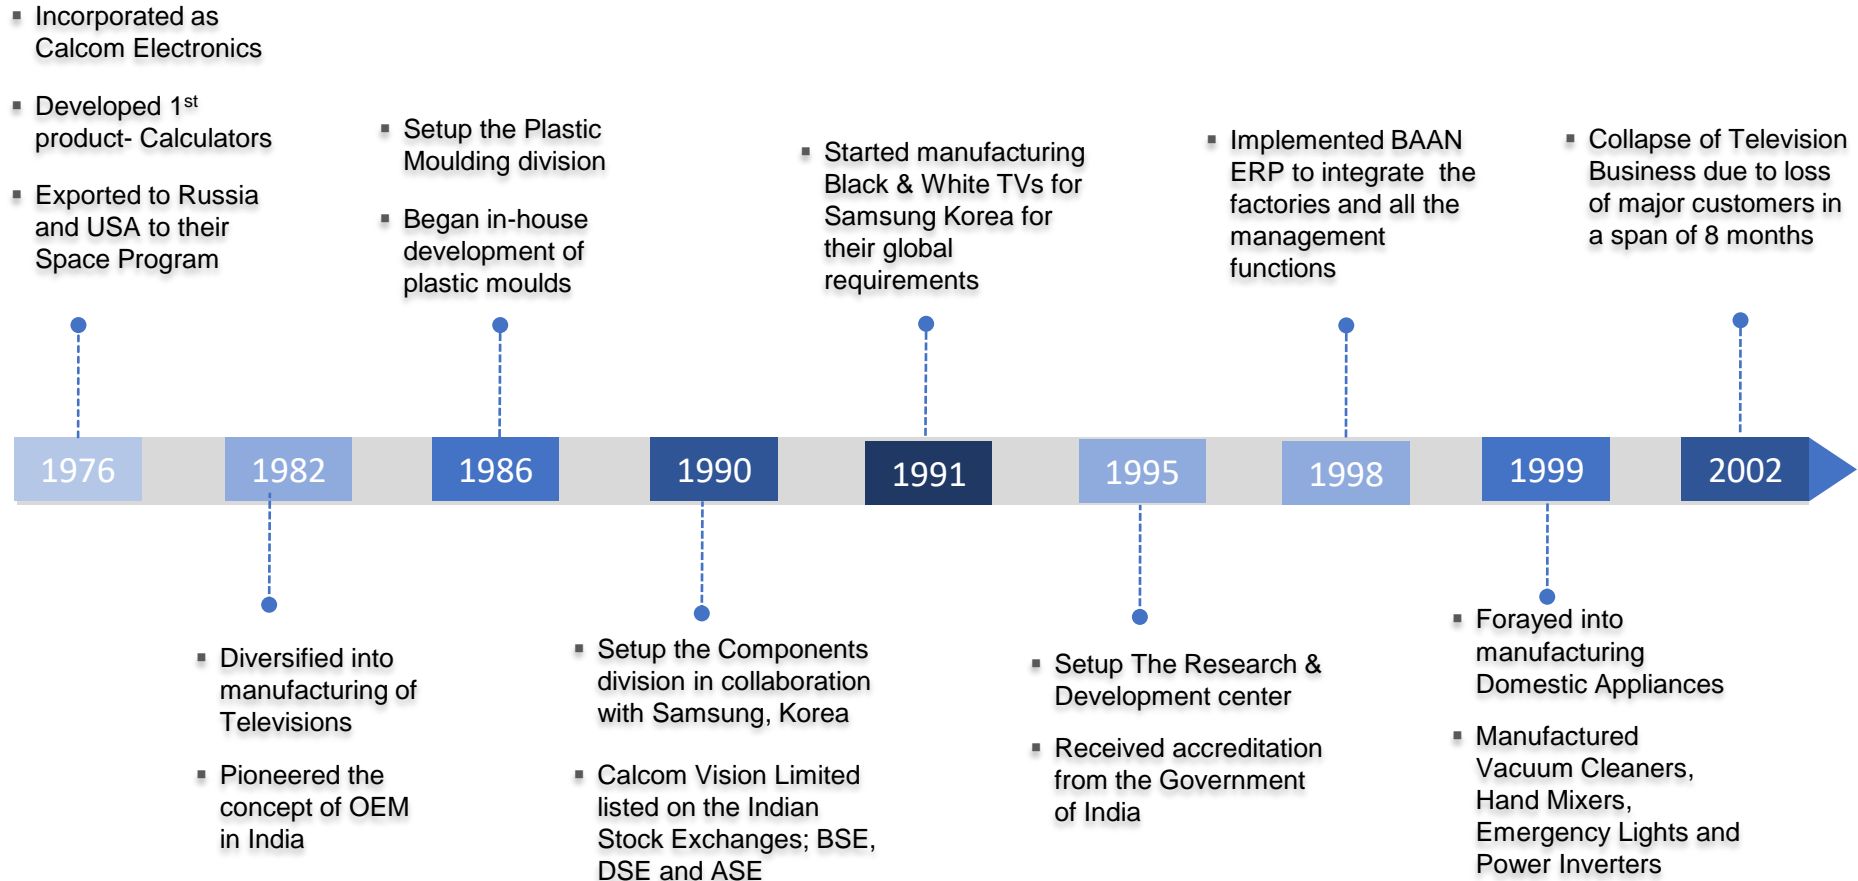

- *46+ years legacy in Electronics Manufacturing*
- *Listed on The Bombay Stock Exchange since 1990*
- *Factory Located at Greater Noida, spread over 13,000 sq. mtr. with covered area of ~ 15,000 sq mtr. Plans are in place to expand it to 40,000 sq. mtr.*
- *In-House Research & Development (R&D) Laboratory*
- *State of the Art Infrastructure with in-house SMT, Plastic Injection Molding, In-house Tool room for Molds and Dye's manufacturing and Plastic Extrusion Plant*
- *Experience in Dealing with all Leading brands / Multinationals / World Industry Leaders*
- *Large Manufacturing and Storage Capacities Available*

## Our Beliefs & Philosophy

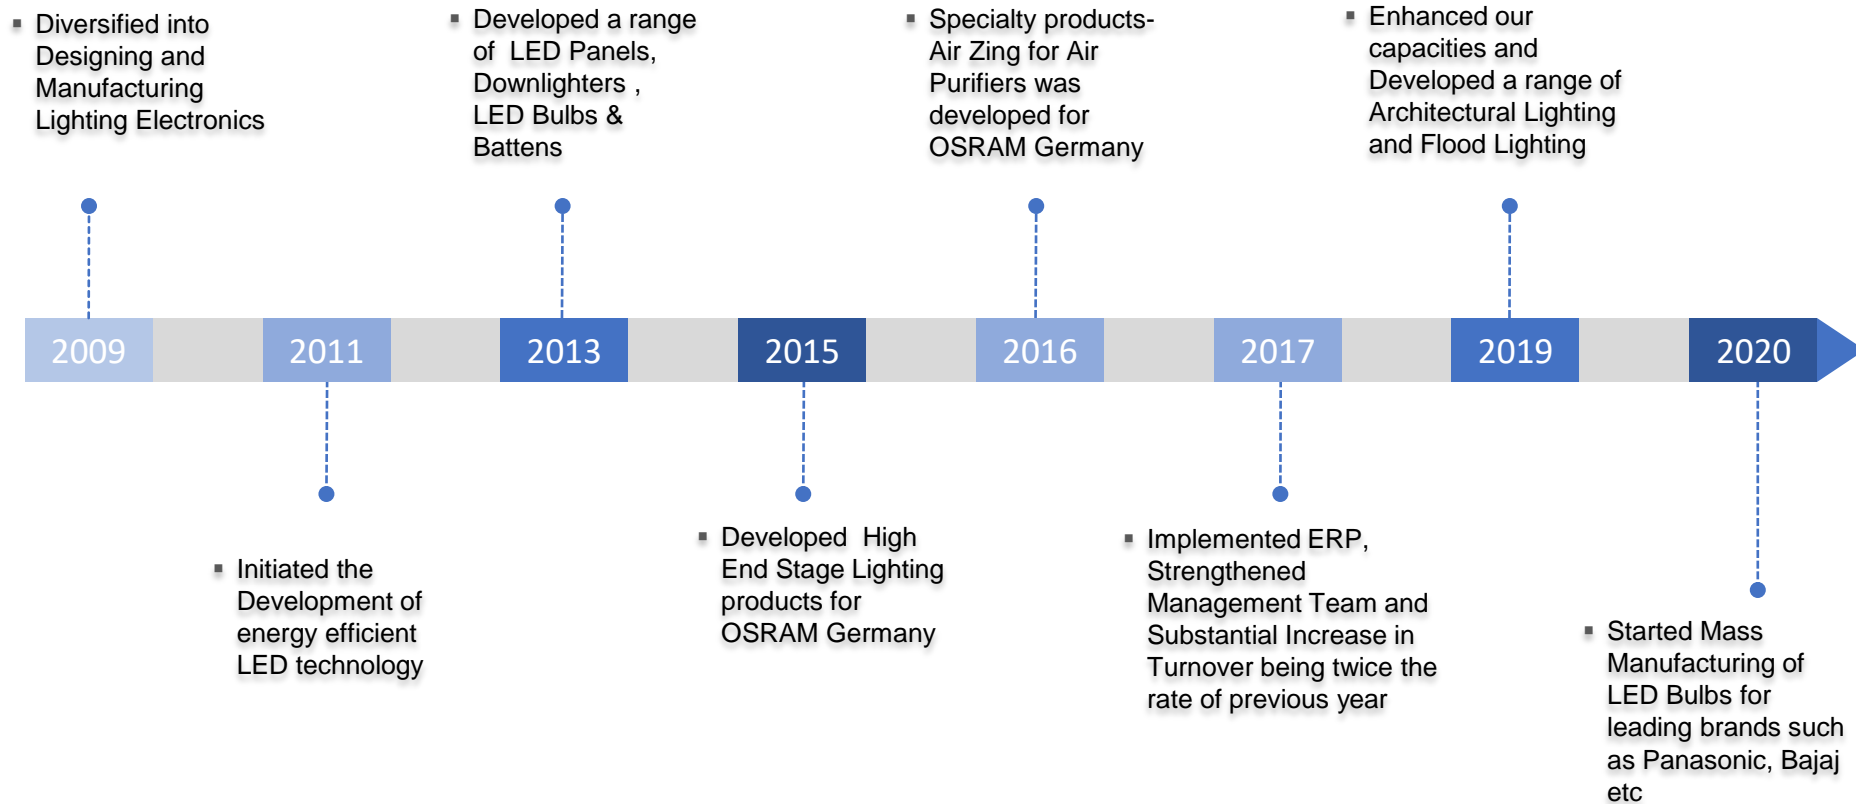

## Calcom Since Inception

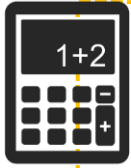

## A New Voyage

## R&D Achievements

1<sup>st</sup> Indian company and 3<sup>rd</sup> company in the world to make Scientific Programmable Calculators. Exported 10,000 to NASA and 2000 to The Russian Space Program.

1<sup>st</sup> Indian company to design its own CTV, meeting IEC standards & approved by Philips Global Design Centre, Singapore

Calcom developed a Patented Digital Clock for Televisions

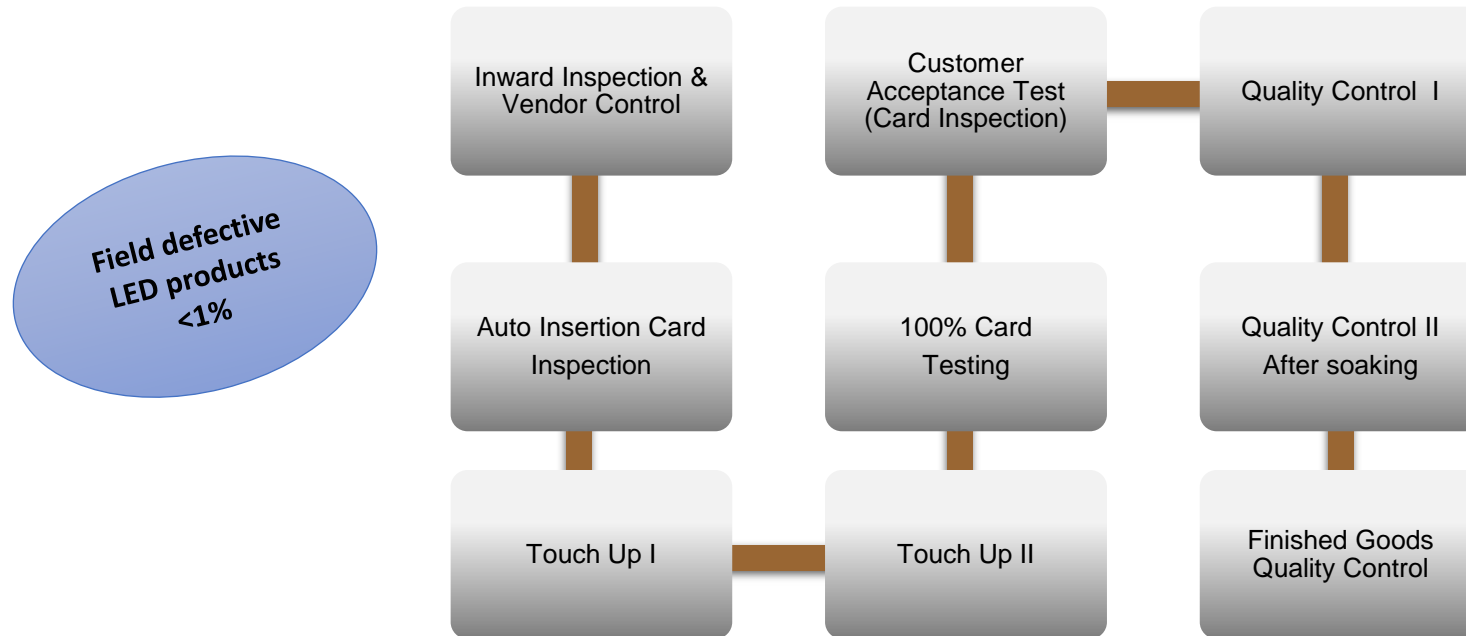

1<sup>st</sup> Indian Company to design Televisions meeting UL and IEC standards for European and US Markets

Diversified into Lighting Electronics and have developed a range of products to cater to the Domestic and International market including Specialty Lighting Products

## Quality Control

At Calcom, we have **Multilevel Quality Control Procedures** that ensure quality standards are being met at **every stage of development enabling** manufacturing of reliable products which meet **International Quality Standards**

### Our Quality Policy

‘We shall deliver **error-free, competitive products and services on time** to our customers that meet or exceed their expectations’

## Customer Service Expertise

We believe in providing our customers with a stupendous experience with

Innovation In Designing

Quality In Manufacturing

Excellence In Service

We believe in long term relations & have serviced our customers over several years

Customer	Association
Panasonic - Lighting	4 Years +
Osram - Lighting	13 years +
Philips – TV	18 years
BPL - TV	16 years

We have experience in dealing with large Multinational Companies

## Infrastructure

### In-House Facilities

- *Tool Room* for making Plastic Injection Moulds
- Well equipped *Approbation Lab*
- *PCB* and *Wire Wound Component* manufacturing
- *CIMDT* - Training Institute

### State Of The Art Machinery

- *Auto Insertion* Machine with *Sequencer*
- *6 SMT lines* with automatic printers (Plans to expand to 11 Lines)
- *Automated Optical Inspection-AOI*
- Dedicated Line for Lens Mounting for 2x2 Panels
- 2 Automatic *LED Bulb* Assembly Machine
- 4 *Plastic Injection* Molding machines
- In-House Batten *Extrusion Plant*
